

# EASY FIX LOOSE LAY PLANK

elite

luxury vinyl

## SwiftClean

SwiftClean is a technologically advanced, high performance, waterproof surface protector, chemically bound to the surface of every Enstyle Elite series product. Floors with SwiftClean are easier to maintain, helping to preserve the natural appearance of the floor for both residential and commercial installation.

## FiberCore™

This Enstyle Luxury Vinyl product features our exclusive, technologically advanced, FiberCore. The added strength and flexibility ensures this Enstyle product is dimensionally stable for North American conditions.

## PearlTouch™ Ceramic Bead

All Enstyle LVT products are coated with a durable ceramic bead finish. These tiny microscopic particles are embedded in the layers of the UV cured PearlTouch finish to help protect the surface finish from premature wear.

## FloorScore

Meets Indoor Air Quality Product Performance Standards for Building Interiors. CA Section 01350 and SCS EC10.3-2014.

## important information about vinyl flooring

Vinyl flooring is a beautiful reproduction of wood or stone and therefore variations in colour, tone and graining are to be expected. Please note that the display samples may not always be a true representation of the final product. For this reason, new and/or replacement flooring may not exactly match display samples and/or existing flooring. Product image colours may vary due to print processes and monitor display settings. Please see installation instructions for full details. See [krausflooring.com](http://krausflooring.com) for latest specifications. 1603
