FEATURES

FiberCore™ This LVT flooring uses a technologically advanced core comprised of virgin material that adds strength and flexibility to provide ultimate dimensional stability.

PearlTouch™ Protect The product is treated with a pearl touch aluminum oxide finish suitable for high traffic areas. It is easy to maintain and guaranteed to last. This finish provides exceptional durability that eliminates premature wear, repels stains, stands up to everyday use and provides long life.

Grip Fit This LVT flooring offers a grip backing to help ensure the plank and tiles remain firmly in place, providing a loose lay or glue down install option.

FloorScore® Meets Indoor Air Quality Product Performance Standards for Building Interiors. CA Section 01350 and SCS EC10.3-2014.

HARRIS | FLOORING GROUP™
harrisflooring.com

Vinyl flooring is a beautiful reproduction of wood and therefore variations in color, tone and graining are to be expected. Please note that the display samples may not always be a true representation of the final product. For this reason, new and/or replacement flooring may not exactly match display samples and/or existing flooring. Product image colors may vary due to print processes and monitor display settings. Please see installation instructions for full details. See harrisflooring.com for latest specifications.
