NextGen™

This SPC flooring features our exclusive rigid technology NextGen Core. Our core was developed using extruded stone, instead of thermoplastics, to offer maximum strength and dimensional stability.

PearlTouch™ Ceramic Bead

Pet and family friendly, this product is treated with a pearl touch ceramic bead finish suitable for high traffic areas, is easy to maintain and guaranteed to last. This finish provides exceptional durability that eliminates premature wear, repels stains, stands up to everyday use and provides long life.

Packaging:	21.58 sq.ft./carton 60 cartons/pallet

FEATURES

NextGen Core™ This SPC flooring features our exclusive rigid technology NextGen Core. Our core was developed using extruded stone, instead of thermoplastics, to offer maximum strength and dimensional stability.

PearlTouch™ Ceramic Bead Pet and family friendly, this product is treated with a pearl touch ceramic bead finish suitable for high traffic areas, is easy to maintain and guaranteed to last. This finish provides exceptional durability that eliminates premature wear, repels stains, stands up to everyday use and provides long life.

Uniclic™ The strongest gap-free plank locking system in the industry, products with Uniclic™ are assured to provide stability, long life, and enhanced performance under the most demanding conditions.

Performance Edition IXPE Underlayment This attached cushion eliminates the need for a separate underlayment, while improving acoustic qualities. It helps to smooth out minor subfloor imperfections for ease of installation and offers exceptional underfoot comfort.

CARE AND MAINTENANCE

Tough and durable flooring features no wax or polish easy care low maintenance for the life of the floor. Easy to clean with regular sweeping or vacuuming, and periodic cleaning with mild soap and water or an approved floor cleaner to ensure the flooring retains its original look throughout the life of the product.

PRODUCT CONSTRUCTION

PearlTouch™ Ceramic Bead

Provides exceptional durability that eliminates premature wear.

Visual Layers

Realistic embossing and stone-like textures provide a natural look and feel.

NextGen™ Extruded Stone Core

Made of extruded stone, not thermoplastic for maximum strength and durability.

IXPE Underlayment

Attached cushioning eliminates the need for a separate underlayment and improves acoustics.

Micro-Beveled Edge

Micro-Beveled plank edges add definition between each flooring plank when installed creating a more structured dimensional appearance in the living space and installation problems with minor subfloor imperfections are minimized.

Color Variation

Indicates the variety of colors, shades, hues and characteristics of the product. Low color variation flooring will have minimal difference in shades or hues. Medium and High offers a wide range of colors tones, hues and variation from plank to plank.

Hydronic Radiant Floors

Our rigid FibreCore™ technology allows for this product to be installed over radiant heating with maximum resistance to expansion, contraction and warping.

Lifetime Limited Waterproof Warranty

This SPC flooring is waterproof for the life of the product. Exposure to topical moisture will not affect the floors performance and is an excellent choice for kitchens, baths, in residential and light commercial projects.

Phthalate Free

Kraus offers products made from clean, raw materials, keeping your space free of harmful phthalates.

FloorScore®

Meets Indoor Air Quality Product Performance Standards for Building Interiors. CA Section 01350 and SCS EC10.3-2014.

HARRIS | FLOORING GROUP™
harrisflooring.com

Vinyl flooring is a beautiful reproduction of wood and therefore variations in color, tone and graining are to be expected. Please note that the display samples may not always be a true representation of the final product. For this reason, new and/or replacement flooring may not exactly match display samples and/or existing flooring. Product image colors may vary due to print processes and monitor display settings. Please see installation instructions for full details. See harrisflooring.com for latest specifications.
